KEY QUALIFICATIONS

Mrs. Azra Zaimovic is an experienced financial management expert, employed at School of Economics and Business in Sarajevo as Associate Professor in Finance, Department of Finance. In ongoing school year (2017/2018) she teaches undergraduate courses Financial Management and Portfolio Management and postgraduate and master courses Investments and Islamic Capital Markets, in Bosnian and in English. In previous years she was also lecturing courses like Property Securitization, Investment Strategies, Stock Market Trading and Capital Market Instruments, and also Capital Budgeting Risk Analysis on PhD studies.

She acts as a member of numerous commissions for master thesis and PhD thesis evaluation and as mentor also. She was mentoring 21 students who successfully defended their master's and postgraduate thesis in period from 2011 till 2017. She has published a large number of scientific papers, three books and one bilingual monograph, Domestic public debt – Analysis and Recommendations. Also, she took part in many international scientific conferences with presented papers and was hired as a lecturer in many seminars and educations.

Mrs. Zaimović expresses genuine skills and experience in securities' valuation, risk management, companies' assessment, financial analysis, public-private partnerships (PPP), portfolio management and investment project evaluation with special regard to issues like capital budgeting, discounted and non-discounted cash flow techniques. She is licensed broker and dealer, as well as licensed investment advisor since 2003 (at Securities and Exchange Commission of FBiH) and chartered certified accountant since 2017 (Commission for Accounting and Auditing of Bosnia and Herzegovina). She works as a consultant in these fields.

She was engaged as key financial expert on the Public-private partnership in Bosnia and Hercegovina project (the project lasted 18 months, 2016-2017), Public Administration Reform Office in BiH. She is the author of the Methodology for value for money analysis in PPP projects, Training guide in PPP and

other project's materials. She delivered the Public sector comparator – Value for money analysis for the project of public lightning reconstruction with LED lightning in Canton Sarajevo and BrčkoDistrikt.

Currently she is engaged as a member of the working group for drafting the law on Public-private partnership in Federation of Bosnia and Herzegovina (2017- ongoing).

Since 2006Mrs. Zaimovic is a member of team for education and organization of professional exams for chartered accountants and auditors organized by Commission for Accounting and Auditing ofBiH. From 2009 till 2014 she was a member of Working group for education by the Commission. Her scope of work includes curricula development, preparation and review of exam assignments for chartered accountants and auditors' profession.

She served as a lecturer and trainer for the public and private sector employees on topic of Public - private partnerships project evaluation, in total 12 workshops were held in 2017 in Sarajevo, Banja Luka, Tuzla, Zenica, Mostar, Bihać, Brčko District and Bijeljina. She also trained eleven generation of candidates for chartered accountant exam from 2006 to 2012, and for two generation of candidates for auditor exam in 2007 and 2008 within the Business Academy in Sarajevo, whereas she developed curricula in Financial Management (basic and advanced). She also held preliminary courses for investment advisors final qualification exam within Revicon Sarajevo and Securities Exchange Commission of FBiH and within Association of Brokers, Dealers and Professional Intermediators of FBiH, and lectured Module on financial engineering and financial markets for BiH State Civil Servant Agent.
