ZAKLJUČAK

Iz prezentirane biografije vidljivo je da sam u periodu 2019–2026 bio aktivan u ključnim segmentima akademskog djelovanja, uključujući naučno-istraživački rad, nastavni proces, međunarodnu saradnju i doprinos akademskoj zajednici. Moj naučni opus u ovom periodu karakterišu publikacije u renomiranim međunarodnim časopisima i izdavačkim kućama, čime sam doprinio međunarodnoj vidljivosti i reputaciji Univerziteta u Sarajevu i Ekonomskog fakulteta. Pored naučnih članaka, angažman obuhvata i urednički rad, autorstvo i koautorstvo knjiga i poglavlja u knjigama, kao i izradu istraživačkih studija koje se bave ključnim ekonomskim i društvenim pitanjima u Bosni i Hercegovini i širem regionalnom kontekstu.

Značajan segment rada odnosio se na aktivno učešće u međunarodnim i domaćim istraživačkim projektima, gdje sam djelovao kao ekspert i član istraživačkih timova, doprinoseći razvoju naučnih kapaciteta i jačanju međunarodne akademske saradnje. Također, kroz aktivno učešće na međunarodnim konferencijama, seminarima i stručnim skupovima, kontinuirano sam predstavljao rezultate svojih istraživanja i doprinio razmjeni znanja i ideja unutar međunarodne akademske zajednice. Značajan angažman ogleda se i u mentorskom radu, kroz koji sam pomagao doktorske i master kandidate, dodiplomske studente, uključujući i supervizorstvo jednog Fulbright istraživača iz SAD, i time doprinio razvoju novih generacija istraživača, jačanju akademske zajednice i unapređenju njene šire prepoznatljivosti. Postignuća naučno-istraživačkog rada posljednjih godina prepoznata su i kroz nagrade Univerziteta u Sarajevu.
