## **NOTIFICATION** for students of the I cycle of studies

Students shall register for the summer semester of the 2017/18 academic year in the period  
**from 12/02/2018 (Monday)**  
**to 26/02/2018 (Monday).**

In order to register, students are requested to hand in:

- matriculation book,
- semester registration form (electronically – instructions are provided on the SEBS website),
- Students who decide to attend clash courses from the subsequent year of study are required to print a list of such courses and hand it in together with the semester registration form, while taking into account the maximum workload per semester (ECTS 30) and schedule of classes (to avoid overlap between classes for the semester they register for and those in the selected clash courses).
- We remind students of their obligation to pay the tuition fee, since students who have not paid the tuition fee shall not be able to register for the summer semester (except for students of FM&MM, for whom the due date for paying the tuition fee is 31/05/2018).
- We also remind students that senior undergraduate students in the 2017/2018 academic year **ARE NOT REQUIRED** to register for the summer semester.
- Students of the VI semester at all departments are required to print the name of elective course from another departments/concentration and submit it together with the semester registration form.
