

OLYMPIA CAPITAL PARTNERS

INVESTMENT BANKING | MERCHANT BANKING | PRIVATE EQUITY

We Are Hiring

Firm Overview

Global investment banking, merchant banking and private equity firm

Olympia Capital Partners (OCP) is a global investment banking advisory firm, merchant bank and independent private equity investment firm

OCP was founded by a group of investment banking professionals, private equity executives, entrepreneurs and industry executives that have well over a century of combined experience. The firm is led by two industry veterans and supported by a group of investment professionals and operating partners from Western Europe, North America and the Southeast Europe (SEE) region

OCP's bold vision is to create the preeminent investment banking and investment management business in SEE, with a true global reach that operates according to global best practices

Internship

Olympia Capital Partners is looking to recruit the top 1% of university students looking for a career in finance

The work in Investment Banking is fast-paced, demanding and intellectually stimulating and we are looking for candidates who will thrive in such a dynamic environment

Our robust continuing education program will further enhance the candidate's on-going development and career progression

The candidate will have a full exposure to all activities across the whole corporate finance value chain

The successful candidate will actively participate in the origination & execution of advisory services throughout the region from start to closing

The first step in the application process consists of sending a resume, a motivation letter and academic results to OCP, which is followed by two rounds of interviews

Comprehensive testing and group assignments are part of the screening process and are also followed by three rounds of interviews

Key Requirements

The work in Investment Banking is demanding as we help clients solve some of their most critical financial and strategic challenges

Qualifications

- Fluency in English
- Outstanding academic record, coupled with extracurricular activity participation
- Advanced proficiency in Microsoft Office, especially Excel, Word & PowerPoint
- Most importantly, the candidate should be highly enthusiastic about OCP's mission and be driven and committed to its success

Skills

- Impeccable research, qualitative, quantitative, and analytical skills
- Superb written and verbal communication skills
- Highly organized with rigorous eye for detail and ability to work under pressure in a rapidly changing environment
- Best in class professional with the outstanding ethics, integrity and judgment

Key Responsibilities

The successful candidate will contribute to building OCP's franchise and reputation in the marketplace

Business Origination & Execution

- Be involved in the pitching process, helping to attract new business and developing client relationships at a junior level
- Work closely with senior management and liaise with other professional parties, including lawyers, sponsors, consultants and accountants

Key Responsibilities

- **Research:** Conducting industry and product research and gathering market data for analysis purposes
- **Presentations:** Planning, preparing & delivering presentation materials and participating in deal pitches
