- Question 19:  (A) (B) (C) (D)
- Question 20: (A)  (B) (C) (D)

\* By the decision of the Central Committee, Question number 9 will not be graded. Instead, questions numbered 2 and 5, which are questions of particular importance for the Management stream, will be graded with 3 points. Other questions are graded with 2 points. The maximal number of points for mathematics remains the same: 20 points and the threshold equals 10 points (which also remains the same).
