CEEPUS networks

SEBS is member of three networks within CEEPUS:

- (i) **AMADEUS network;**
- (ii) **CESEENet network;**
- (iii) **Central European Network for Sustainable and Innovative Economy;**
- (iv) **Greening Project Management for a Sustainable World: Developing and Empowering a New Generation of Changemakers**

AMADEUS network

The purpose of the CEEPUS AMADEUS network is to offer quality education, joint programs and exchange opportunities for teachers and students from some of the best universities of economics and business administration in Central and Eastern Europe focusing on doing business in the region.

Central European Network for Sustainable and Innovative Economy

The necessity to introduce and disseminate a new paradigm in economics and management, based on the efficient use of resources, preferably a circular economy, is the basic assumption for the proposed network.

Greening Project Management for a Sustainable World: Developing and Empowering a New Generation of Changemakers

The purpose of the CEEPUS network *Greening Project Management for a Sustainable World: Developing and Empowering a New Generation of Changemakers* is to share knowledge, exchange teaching staff and students, and jointly organize conferences and joint mentorships in the project management, green, sustainability, and SDGs-related fields (in the broadest sense).
